New and exclusive designs
wood and concrete collection

Gerflor®

2022 Exclusive Collection

New innovative designs at the service of Taraflex® Multi-Use

- We have made the most of the talent of our artistic direction to offer you new designs, in line with current trends : herringbones for a modern look inspired by noble materials and concrete for an industrial and urban touch.
- Their masking power make them ideal for multi-purpose applications !

Overtorn the sports codes thanks to these 6 exclusive designs
